

THE GREAT ROUNDUP for the Annual Fund

WHAT

Annual fund gifts support WCM above and beyond tuition. Gifts support improvements to the campus, the acquisition and upkeep of classroom materials, resources for faculty and staff development and training, and provide scholarships for students from underrepresented and diverse backgrounds.

Tuition dollars do not cover all the costs associated with a child's education. The difference is made up each year through gifts to the Annual Fund.

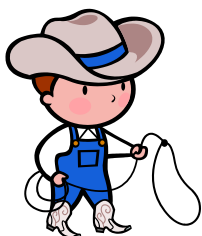

HOW

1. Consider rounding up your tuition check each month as a donation to the Annual Fund. A \$10 donation each month adds up to \$100 over the 10 month school year. A \$50 donation adds up to \$500 and a \$100 roundup adds up to \$1000.
2. Make a pledge by filling out the attached form. Pledges are payable by July 31, 2008. Tell us when you would like to receive a reminder to pay your pledge.
3. Make a gift. Checks should be payable to Woods Creek Montessori.
